FY 25 Current Graduation Credit Progress Collection

Collection Dates September 19, 2024 – September 12, 2025

October 10, 2024
Cathy Edwards

General Collection Information

- **Source File**
  - GC Record type
  - S collection
- **Reports**
  - No Level 1 reports
  - No Level 2 reports
- **Collection Dates**
  - September 19, 2024 – September 12, 2025
  - Also reported during the G – Graduation Collection

General Collection Information

- **Who Reports**
  - Traditional Districts
  - Community Schools
  - STEM Districts
  - State Supported Schools

- **What is the collection for?**
  - To report all students who attended and earned credits/units towards graduation

General Collection Information

- **Major Change from Prior FY Version:**
  - Added new Core Area Code and Subject Area for Credit options to allow districts to indicate that English, math, science, and social studies credits are being counted toward a student's electives for the state graduation requirements and should not be counted toward the student's specifically required credits in those areas (change 25-61)
  - Added Core Area Code for Drivers' Education to be included as an Elective

- **What is reported?**

Record Field Number	Data Section	Grad Credit Progess (S)	Grad (G)
GC060	CORE Area Code	✓	✓
GC070	CORE Area Count	✓	✓
GC110	Dual Enrollment Credit Earned	✓	✓

CORE Area Codes

Subject Area and/or Core Requirements area in which a student has earned credits/units toward graduation

- For Valid Core Area Codes see Section 2.15 Student Graduation – Core Summary

Reporting instructions

Report the most specific option that would apply. For example, if a students takes a business course as an elective report the 'BUS' option instead of the 'ELE' option since the 'BUS' option is more specific

Added CORE Area Codes

EMIS Change 25-61 and 25-32 added/amended the Core Area Codes below

- **DRI** –Driver's education when counting as elective for state graduation requirements and not counting the Ohio Driver's License (CR63) as an industry credential
- **ENE** – English when counting as elective credit for state graduation requirements, not as part of 4 English Language Arts credits
- **MTE** – Math when counting as elective credit for state graduation requirements, not as part of 4 Math credits
- **SCE** – Science when counting as elective credit for state graduation requirements, not as part of 3 Science credits
- **SOE** – Social Studies when counting as elective credit for state graduation requirements, not as part of 3 Social Studies credits

Updated description

ELE – Elective units that are not counting as elective credit for state graduation requirements

Add

To build an AdHoc showing Core Area For Credit, you are looking for TranscriptCredit.creditsEarned

Core Area Count will Include

- Courses taken in the district that will award diploma

- Courses taken at other education organizations but transferred to and accepted for credit by the district that will award the diploma, and

- Any other experiences for which the district that will award the diploma has awarded credits towards graduation for the student, subject to any relevant local and state policies (see EMIS Manual section 2.15 for those relevant exceptions)
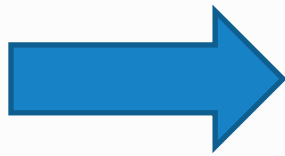

Dual Enrollment Credit Earned

The total number of dual enrollment credits earned in the area designated by Core Area Code.

Reporting Instructions
Include all dual enrollment credits earned through dual enrollment courses – offered through dual enrollment or statewide articulation agreement – that appears on a student's transcript or other official document, either of which is issued by the institution of higher education from which the student earned the college credit.

Comments

To build an AdHoc showing Dual Enrollment Credit Earned, you are looking for TranscriptCourse.transcriptField2

The report is only going to show courses that have been posted to transcript.

Districts must use the Post To Transcript option for all courses earned at the district or at a College, you shouldn't manually add anything to the transcript except move in credits or Summer School credits.
