

FY26 Student Contact(s)

Cathy Edwards

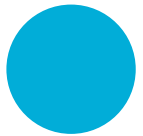

August 6, 2025

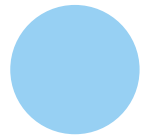

Submission Range July 1, 2025 – July 10, 2026

GI – Student Demographic

FG – Student Contact Address

FF – Student Contact

The Student Contact Collection is required reporting for community schools and other EMIS reporting entities that participate in the National School Lunch Program are strongly encouraged to submit the collection. This reporting allows for a more effective and efficient completion of the direct certification process.

(FF) Student Contact Record

- Contact Relationship Code (Code mapping needs to be rolled forward each school year and updated if new relationships are added) **Meta has rolled these forward**
[System Settings>Data Defining Tools>Code Defining](#)
- Contact Sequence
[Census>People>Relationships>Emergency Priority](#)
- Custodial Flag (if contact sequence is 01, reports Y, otherwise reports N) See Contact Sequence above
- Legal Guardianship Flag
[Census>People>Relationships](#)

(FG) Student Contact Address

- Contact Address

Census>Addresses>Address Info

- Contact Sequence

Census>People>Relationships>Emergency Priority

- Effective Start Date

Census>Households>Address>Start Date

Data is uploaded to the CNDC (Child Nutrition Direct Certification) Module for matching

Ohio Department of Education & Workforce Ohio District Data Exchange (ODOEX)
